WE MAKE RESTAURANT MANAGEMENT EASY

A point of sale system should help you grow your restaurant business, not slow things down. Total Touch is an integrated point of sale solution designed to help you increase sales and manage your restaurant, your way. This blend of software, hardware, and payment processing is the preferred solution for all restaurant concepts, from quick-service pizza spots to premier fine dining rooms.

Once you experience its flexibility and powerful features, you'll begin to wonder how you ever managed without it.

TOP PRODUCT FEATURES

ONLINE & MOBILE ORDERING

Online & mobile ordering from Total Touch combines a customized ordering system with our powerful, intuitive software. Elevate the experience for your customers with group and future ordering, direct customer-to-store messaging, advanced delivery features, and more!

SPLIT CHECKS & TAB TO TABLE

With Total Touch, the answer to "Can you split the check?" is always yes! Our solution enables servers to split checks by seat, drink, meal, or straight down the middle. Plus, you can allow customers at the bar to seamlessly carry their tab over to a table when it's ready.

ORDER & PAY AT THE TABLE

Put your customers in control of their experience with Total Touch. Our order and pay at the table option frees up your staff to spend more time serving diners and truly getting to know them. Plus, you reduce the risk of order mishaps due to miscommunication.

CLOUD-BASED REPORTING

Total Touch cloud-based reporting delivers the performance metrics and essential analytics you need to make healthy business decisions. Access these key features on your computer or mobile device anytime, anywhere!

ALL-AROUND MANAGEMENT

Total Touch allows you to easily manage every aspect of your restaurant business from the front of house or back office. Keep an eye on inventory, table turnover, employee timecards, and more to streamline operations and improve the guest experience.

IMPRESSIVE BENEFITS

REDUCED RISK OF DOWNTIME

Total Touch operates on a hybrid cloud and server-based system. We're here to make sure you never lose business, even during an internet interruption.

USER-FRIENDLY INTERFACE

Our customers love Total Touch because it's easy to understand and quick to learn. Training new team members is a breeze with this solution!

CONTINUOUS IMPROVEMENTS

The Total Touch Product Team is always working behind-the-scenes to improve our software and bring you the cutting-edge point of sale features you need!
